Dear Parents and Friends of Chengelo,

## 2009 IGCSE & A-LEVEL EXAMINATION RESULTS SUMMARY

Last week the school received the exam results from Cambridge for last November's IGCSE and A-Level exams. As nervous students opened their envelopes the picture that emerged was one of remarkable achievement. Overall, the results are the best we have had at Chengelo and we are very proud of our students' performance and wish to congratulate them all on their achievements.

Chengelo's results continue to set the standard in Zambia and they compare very favourably with other top schools around the world. They confirm that it is possible for students to obtain top results and a first class education here in Zambia without the expense involved in sending children abroad to be educated.

Once again we give thanks and praise to God for enabling our students to achieve this outstanding level of success.
