Dear Parents and Friends of Chengelo,

2008 IGCSE & A-LEVEL EXAMINATION RESULTS SUMMARY

The 2008 IGCSE exam results are our best yet. We are very proud of our students' performance and wish to congratulate them all on their achievements.

Chengelo School's Results continue to set the standard in Zambia and they compare very favourably with other top schools around the world. They confirm that it is possible for students to obtain top results and a first class education here in Zambia without the expense involved in sending children abroad to be educated.

We give thanks and praise to God for pouring his abundant blessing upon this school.

HOW DO OUR RESULTS COMPARE WITH OTHER SCHOOLS?

While not many other schools in Zambia publish their exam results, the following comparisons can be made between Chengelo School and other centres offering Cambridge IGCSE's in the World.

- In all subjects Chengelo Pupils obtain almost TWICE as many A*-C passes than other Cambridge Centres.
- Overall we have over FOUR times more A* grades than the average for other Cambridge Centres.
- We have NO ungraded papers or Grade G's.

In the Sixth Form we are encouraged by the increased number of top grades – over a quarter of our results are grade A or B across all of the subjects.

We would like to take this opportunity to thank all of you as parents for your support for the School without which these results would not happen. Special thanks also must go to our dedicated team of teaching staff who have worked tirelessly with the students to ensure that each of them achieves his or her full potential.

We wish our former students the very best for their future and follow them with our interest and prayers.

Yours faithfully,
